**6th Annual BIG DOGS ROCK Adoption Event!**

150 LARGE Dogs.....Because Size Matters!

Hosted By: The San Diego Animal Support Foundation

Saturday, September 27, 11 a.m. to 3 p.m.

Fiesta Island...across from Fenced Off-Leash Beach near the OTL area.

When it comes to dogs.....SIZE MATTERS! If you love big dogs, join us on Fiesta Island for a very special adoption event featuring BIG DOGS ONLY (large breeds), and puppies that will eventually be big dogs! This is an ANNUAL event, bringing together dozens of San Diego's finest non-profit rescue agencies and shelters, featuring 100+ large breed dogs all in one place! The Big Dogs Rock Adoption Event was designed to make the adoption process easier for people who prefer large breeds, bringing them to just one HAPPY place where they can find their perfect pet among hundreds of big dogs. It's become one of the largest, most popular annual adoption events in San Diego, held on the world famous, pet-friendly, Fiesta Island.

We also encourage big dog lovers to come out and learn how to become a temporary foster guardian for one of a dozen respected, long-standing organizations. Foster families prevent dogs from being killed in shelters. Rescue agencies and shelters provide all food and medical care while the dogs are in foster homes, so it costs the foster guardian nothing to save a life. Potential foster families will get a chance to meet and interview representatives from dozens of local agencies to find the best fit.

Adoption fees vary by organization, but admission is FREE. Booth space is provided free to the rescues and shelters in the SDASF network.

If you think bigger is better, come to this four-hour adoption event on Fiesta Island and meet your new best friend or four-legged foster dog! Call [619-847-8755](tel:619-847-8755) for more information or visit [SDShelters.org](http://SDShelters.org).
